WASHINGTON, Oct. 5.-A new counterfeit \$5 National bank note has been discovered by the Secret Service officials. It is on the Citizens' National Bank of Niles, Mich., check letter "B," series of 1862, W. S. Rosencrans, Register; E. H. Nebeker, Treasurer; por-

trait of Gardeld.

It is a photographic production, the treasury and bank numbers and panel on back containing charter numbering, colored with pen and brush. The entire face of note is brown instead of black, no attempt having been made to hide the evidence of photography.

New York, Aug. 30, 1894.

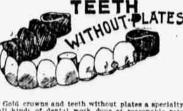

DR. O. W. HALL,

Dear Sir:

My son and daughters, who had some of
their teeth extracted at your office yesterday,
told me that they never felt the slightest pain
while their teeth were being extracted, nor afterwards; in fact, when they awoke this morning
they could not reasize that the teeth were gone.
Your NEW METHOD is certainly a WONDERFUL INVENTION They will call again in a week
or so to have some teeth filled.

Thanking you for the kitchness you have shown
my children, I remain,
Yours very truly.
